FOBANA® is a non-profit, non-political and non-discriminatory organization. It was established in 1987. FOBANA® has been recognized as an umbrella organization that enables Bangladeshi Americans gather to celebrate their successes and introduce their vibrant culture to this multicultural country. Since its inception, FOBANA® has been working tirelessly in North America, far away from our ancestral homeland, to keep our indigenous culture and pass it on to the next generations growing up in the United States and Canada.
